

Microstegium vimineum

WHAT'S SO BAD ABOUT STILTGRASS?

Come learn to identify this destructive invasive plant.
Find out why it's a problem and how to control it.

~ **Hands-on ID experience** ~

We'll form crews to hand-pull patches
along Conway's roadsides.

9:30 – 11:30 a.m.

**Saturday, August 11th &
Saturday, August 18th, 2018**

Meet at Natural Roots Farm 888 Shelburne Falls Rd.

CONWAY, MASSACHUSETTS

**Questions? Can't make it but want help with ID?
mturre@gmail.com or (413) 369-4034**

A program of the Conway Japanese Stiltgrass Control Project,
organized by the Town of Conway Open Space Committee.
