

River Corridor Mapping Workshop

May 3rd 2019 8:30-5:00 pm
Deerfield, MA

Tropical Storm Irene
devastated portions of
Massachusetts in 2011

The next storm is coming!
Is your community ready?

Come to an interactive workshop hosted by Franklin Conservation District and led by Dr. John Field an expert on river hazards. Learn a simple and inexpensive method for creating river corridor maps that can identify properties at risk of flooding and erosion hazards. Take steps now to build flood resiliency against future storms!. There is no fee for this event.
