Old Business

Lee attended when Roy Bishop, our consultant for valuing large solar projects in Conway will be was part of the Selectboard's 9/6. He discussed the state programs in which projects like this are enrolled, their history and the changes in these programs and recent PILOT agreements with other communities that he has handled, including values per Mw. He compared Nexamp's counter-proposal to the Town's proposed PILOT and helped the Selectboard to draft two new responses.
None of us will be attending the SLW "What's New in Municipal Law" forum.
